TRUCKMAN™

Following your enquiry we have pleasure in enclosing our retail price list for the Truckman Top range for the Skoda pick-up.

We would like to draw your attention to the following points which have helped to maintain the Truckman Top as clear market leader.

* **3 YEAR WARRANTY**

In line with our policy of producing high quality, professionally styled products, all Truckman Tops carry a 3 YEAR WARRANTY.

* **SKODA AUTO**

The Truckman Top is the only Top recommended for the Skoda pick-up by Skoda Automobile UK Ltd.

* **SPECIFICATION**

Truckman Tops feature:

- * Built-in ladder rests with flush fitting lashing points on each corner.
- * Quick and easy to remove with 4 overcentre catches.
- * Heavy duty rear tailgate for added security.
- * Range of options.

* **SERVICE**

Delivery of Truckman Tops is currently 3-4 weeks. Replacement parts are available ex.stock.

Truckman Tops are marketed through the vehicle dealer network. For further information please contact either ourselves or your local dealer.

We assure you of our prompt and personal attention at all times.

Yours sincerely

Vicky

Sales Department.

TRUCKMAN CLASSIC TOP GENERAL SPECIFICATION

Both 'C' and 'S' models have the following standard features

- Built-in ladder rests with flush fitting integral lashing points on each corner.
- Simple installation.
- Quickly and easily removable.
- 3 year warranty.
- Robust rear tailgate, with black anodised aluminium box section frame with tinted toughened glass window. Opening assisted by gas struts.
- Two way steel lock with external locking handle for load security.
- The only accessory hardtop from a supplier approved by Skoda UK.
- Internal height 1185mm
- Rear aperture height 1090mm

TRUCKMAN CLASSIC TOP 'C' MODEL

- All white colour impregnated external finish.
- Single skin roof with longitudinal stiffening spine moulded into interior of roof.
- Roof designed to carry 75kgs evenly distributed load.
- Sides reinforced with 100mm wide hoops of Coremat.

TRUCKMAN CLASSIC TOP 'S' MODEL

- Two tone, white/dark grey colour impregnated external finish.
- Double skinned roof with 12mm Polyurethane foam core for added strength and insulation.
- Roof designed to carry 100kgs evenly distributed load.
- Sandwich construction sides with Coremat core for added strength and stiffness.
- Interior spray coated with Portatone for easy cleaning.

TRUCKMAN AERO TOP GENERAL SPECIFICATION

'C', 'S' and 'SL' models have the following standard features

- Simple installation.
- Quickly and easily removable.
- 3 year warranty.
- Tailgate made with 5mm toughened tinted curved glass.
- Two way steel lock with central locking handle for load security.
- Contoured styling to follow lines of vehicle.
- Steel plates bonded into roof to accept longitudinal roof rack rails.
- Internal height 1025mm
- Rear aperture height 940mm

TRUCKMAN AERO TOP 'C' MODEL

- All white colour impregnated external finish.
- Single skin roof with longitudinal stiffening spine moulded into interior of roof.
- Sides reinforced with 100mm wide hoops of Coremat.

TRUCKMAN AERO TOP 'S' MODEL

- Two tone, white/dark grey colour impregnated external finish.
- Double skinned roof with 12mm Polyurethane foam core for added strength and insulation.
- Sandwich construction sides with Coremat core for added strength and stiffness.
- Interior spray coated with Portatone for easy cleaning.

TRUCKMAN AERO TOP 'SL' MODEL

- General construction as the 'S' model.
- Side windows, flush fitting with tinted, curved toughened glass, rear section hinged on leading edge with overcentre catch on rear edge providing ventilation with security.
