

# AeroTop For The Skoda Felicia

AeroTop 'SL'

AeroTop 'S'

**TRUCKMAN™**

# Enhance Your Felicia Pickup

Combining the sleek new AeroTop from Truckman with the Skoda Felicia creates a stylish and practical way of getting the most out of your vehicle. Styled to compliment the lines of the pickup, the AeroTop secures the load area with a two-way locking system mounted onto curved tinted rear glass.

Truckman Tops are the only accessory hardtop from a supplier approved by Skoda UK, with a three year warranty offering extra peace of mind.

The 'S' model offers a double skin construction all round and a stylish 2-tone exterior finish. The inside is spray painted for easy cleaning. The 'SL' Model has these features plus curved, tinted side windows with an opening quarterlight towards the rear offering the appearance of an estate car whilst maintaining the excellent load capacity of a pickup.

Options include roof rails, cross rails and a rear spoiler with a brake light.

All Tops can be easily mounted and removed in seconds using overcentre catches.
